

Sonoma County

Homeless Census & Survey

2020 Executive Summary

Every year in the County of Sonoma, volunteers and guides gather together to conduct a count of persons experiencing homelessness.

The 2020 Sonoma County Point-in-Time Count was a community-wide effort conducted on February 28th, 2020. In the weeks following the street count, a survey was administered to 444 unsheltered and sheltered individuals experiencing homelessness in order to profile their experience and characteristics.

Census Population: Longitudinal Trend

2020 Sheltered/ Unsheltered Population

Subpopulation* Data

***Subpopulation Definitions**

Chronically Homeless

An individual with one or more disabling conditions or a family with a head of household with a disabling condition who:

- » Has been continuously homeless for 1 year or more and/or;
- » Has experienced 4 or more episodes of homelessness within the past 3 years.

Veterans

Persons who have served on active duty in the Armed Forces of the United States. This does not include inactive military reserves or the National Guard unless the person was called up to active duty.

Families

A household with at least one adult member (persons 18 or older) and at least one child member (persons under 18).

Unaccompanied Youth & Transition-Age Youth (TAY)

Children under the age of 18 and young adults between the ages of 18 and 24 years old (TAY) who are experiencing homelessness and living without a parent or legal guardian.

+ Multiple response question, results may not add up to 100%.

Δ Only displaying top responses.

Note: Some percentages have been rounded so total percentage will equal 100%.

The complete comprehensive report includes a more detailed profile of the characteristics of those experiencing homelessness in Sonoma County. It will be available in summer 2020.
