Take Your Child to Work Day

Thursday, June 21, 2018 – 1:00 p.m. to 3:30 p.m.

About the Program

Take Your Child to Work Day is a career day that serves as an enriching educational experience for our County employees' children, not only exposing them to what the adults in their lives do during the work day, but showing them the potential value of their education, and providing an opportunity to envision their future. This is the 5th Annual Take Your Child to Work Day which started in 2014.

The Purpose

The County Administrator's Office approved this new program, County-wide, to serve as an enriching day to expose children to careers and to their parent or mentors work place. This program will give children first-hand knowledge of the different careers and services provided by our departments and divisions. Children will learn how County employees' work is aligned with the County's strategic goals. They will hear from our County leaders, professionals, and will be able to see and experience many of the County's programs by hands-on and interactive activities. Snacks and a commemorative gift will also be provided to your child.

Who Can Participate in this Program?

This event is open to children from the ages of 5 to 18. The program is open to employee's children, nieces, nephews, or other mentees within this age range.
