If you are interested in serving on the Board, please complete an application at: <https://sonoma-county.granicus.com/boards/w/808bd6e42edf8e0f/boards/36909>

Please direct all questions to the Chair. We are particularly in need of consumers or family members of those that have lived experience.

- The Mental Health Board held a retreat last Saturday at the Hanna Center. We have several new members on the board and we wanted to gather, spend some time together, share our backgrounds,

review our specific duties and tasks, and then obtain sign-ups for each of those duties. We also discussed our developing orientation and mentoring process. Moving forward, we will have one board member serve as a mentor to newcomers in their district so that they have a better understanding of what we are doing.

We then toured the Hanna Center which, if you have not been to their campus, please make a point of going. Leslie Peterson would be happy to show you around and tell you about their services. It is a truly beautiful place and they are doing amazing work.

Following the tour we had lunch together and talked about what each member would like to focus on specifically, their areas of interest in their district and needs in that district. We strategized best practices to communicate between the members and the District Supervisors, and also shared ideas on ways to achieve supervisor engagement.

A group exercise was next on our agenda. We each put up post it notes that each member wrote about how we could accomplish the specific goals that we had outlined earlier in the day.

Our newest member, Graham Thomas shared how great it was to meet everyone as it was his first time doing so. He greatly appreciated what came out of the meeting because so much of the community is still trying to figure out what the MHB is about and feels we should publicize the things that came out of this meeting. We are on par to accomplish specific things within the next three years.

**MENTAL HEALTH BOARD APPRECIATION:** Presented to County of Sonoma Mobile Support Team

**SRJC PEER REPORT:** - No report; Valeria not in attendance

**BEHAVIORAL HEALTH DIRECTOR'S REPORT/BH FISCAL UPDATE/MENTAL HEALTH SYSTEM:** Dr. Jan Cobaleda-Kegler

- Prop 1. As of this morning, 95% of the vote is in and it remains very close. It's about 50.1 % yes and 49.8% now. 2,000 votes is a 1 point difference and that's where we were last week, but now that number seems to be about 20,000. Regardless, if it passes we are ready to pivot and take it on. We are already looking at developing several housing projects to support our folks with No Place Like Home. Melissa Ladrech assures me that we're going to be able to move contracts such as West County Community Services over to another "bucket" and thus preserve programs. April 12<sup>th</sup> is the date that they will certify the election so we'll just have to wait until we know what's going on.
- Bridge Housing. We are getting ready to issue an RFP, I may have a presentation on this for our next meeting.
- (Unfortunately the internet dropped so we lost some of Dr. Cobaleda-Kegler's update)
- Sid McColley, our Section Manager for Acute & Forensics is retiring in May. Sid has been with us for 20 years and has provided such great services.
- Still working on staff retention and recruitment. Last month I told you all we were down to about 19% vacancy, and then it went up when we started adding positions. Two steps forward, one step back.

**SPECIAL PRESENTATION;** Dr. Jan Cobaleda-Kegler and Wendy Tappon present updates on the Mobile Support Crisis Operation

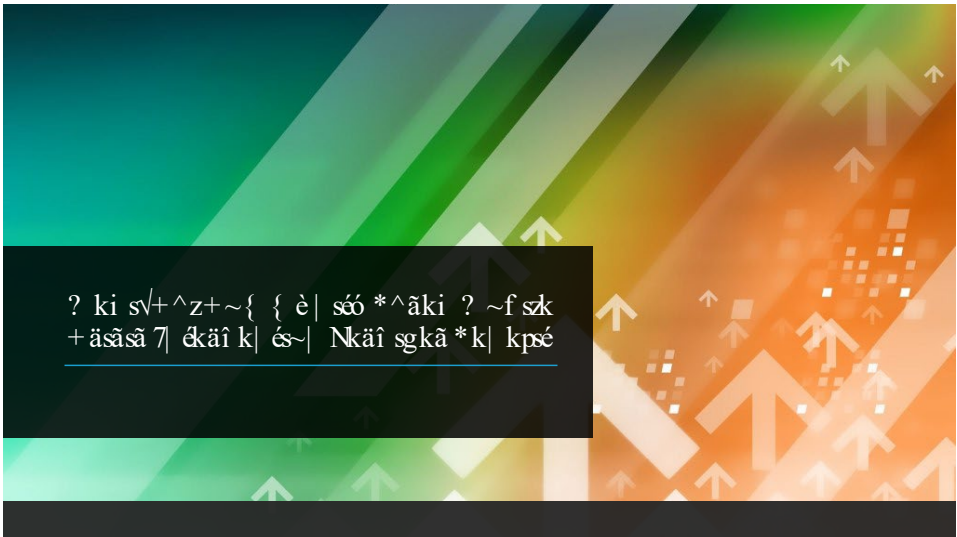

\*Please refer to the Power Point included at the end of these minutes\*

**PUBLIC COMMENTS:** None
